2023 Autumn Semester New Students Health Examination Schedule

■ Undergraduate：9/6

Time	Department
08:00	Computer Science(CS)
08:20	Electrical Engineering(EE), Undergraduate Program of Electrical Engineering and Computer Science(EECS)
08:50	Mathematics(MATH), Physics(PHYS)
09:20	Chemistry(CHEM), Interdisciplinary Program of Sciences(SCI)
09:40	Interdisciplinary Program of Tsing Hua(IPTH) , Tsing Hua College International Bachelor Degree Program(IBP)
10:20	Engineering and System Science(ESS), Interdisciplinary Program of Nuclear Science(IPNS) , Biomedical Engineering and Environmental Sciences(BMES)
10:40	Economics(ECON), Quantitative Finance(QF), Double Specialty Program of Management and Technology(UPMT)
11:10	Life Science (LS), Interdisciplinary Program of Life Sciences and Medicine(LMIP), Medical Science(DMS)
End of Entry at 11:30	
Rest time during 12:00-13:00	
13:00	Education and Learning Technology(KEL), Early Childhood Education(KEE), Special Education(KSPE)
13:20	Educational Psychology and Counseling(KPC), Kinesiology(KSS) , English Instruction(KENI)
14:05	Music(JMU), Arts and Design(JAD), Interdisciplinary Program of Technology and Art(JITA)
14:25	Chinese Literature(CL), Foreign Languages and Literature(FL), Interdisciplinary Program of Humanities and Social Sciences(HSS)
14:55	Industrial Engineering and Engineering Management(IEEM), Materials Science and Engineering(MS), Interdisciplinary Program of Engineering(IPE)
15:35	Power Mechanical Engineering(PME) , Chemical Engineering(CHE)
End of Entry at 16:00	

**The entire health checkup process takes about 30 minutes,
it depends on the circumstances.**

2023 Autumn Semester New Students Health Examination Schedule

■ Graduate：9/7

Time	Department
08:00	Continuing Education Graduate's Programs
08:50	Arts and Design(JAD), Music(JMU), Graduate Institute of Art and Technology(JANT)
09:00	Education and Learning Technology(KEL) , Early Childhood Education(KEE), Special Education(KSPE) , Educational Psychology and Counseling(KPC), Kinesiology(KSS), English Instruction(KENI), Environmental and Cultural Resources(KEC), Taiwan Languages and Language Teaching(KTLT) , Graduate Institute of Mathematics and Science Education(KMS), Learning Sciences and Technologies(KLST), Ph.D. Program in Education Sciences (KES)
09:30	Materials Science and Engineering(MS), NanoEngineering and MicroSystems(NEMS), Ph.D. Program in Prospective Functional Materials Industry(PFMI)
09:55	Power Mechanical Engineering(PME), Biomedical Engineering(BME)
10:20	Chemical Engineering(CHE), Industrial Engineering and Engineering Management(IEEM)
10:50	Biomedical Artificial Intelligence PhD program(BAI), Presicion Medicine Ph.D. Program(PMED), International Intercollegiate Ph.D. Program(IPHD), International Intercollegiate Master Program(IMS)
11:00	Biomedical Engineering and Environmental Sciences(BMES), Institute of Analytical and Environmental Sciences(AES), Nuclear Engineering and Science(NES), Engineering and System Science(ESS)
End of Entry at 11:30	
Rest time during 12:00-13:00	
13:00	Technology Management(TM) , Law for Science and Technology(LST), Quantitative Finance(QF), Economics(ECON), International Master of Business Administration(IMBA), Service Science(ISS)
13:15	Computer Science(CS)
13:35	Electronics Engineering(ENE), Communications Engineering(COM), Photonics Technologies(IPT), Institute of Information Security(IIS)
14:05	Electrical Engineering(EE), Information Systems and Applications(ISA)
14:35	Exchange Students, Taipei School of Economics and Political Science(TSE), College of Semiconductor Research(CSR)
14:55	Biotechnology(LSBT), Bioinformatics and Structural Biology(LSBS), Molecular Medicine(LSMM) , Molecular and Cellular Biology(LSMC), Systems Neuroscience(LSSN)
15:10	Chinese Literature(CL), Foreign Languages and Literature(FL), History(HIS), Linguistics(LING), Sociology(SOC), Anthropology(ANTH) , Philosophy(PHIL), Taiwan Literature(TL), International Master's Program in Inter-Asia Cultural Studies(IACS) , MA Program in Chinese Language and Culture(MCLC), Sinophone Studies(SL)
15:25	Physics(PHYS), Graduate Program of Quantum Technology and Advanced Materials(QTAM), Astronomy(ASTR), Statistics(STAT)
15:40	Mathematics(MATH), Chemistry(CHEM), Computational and Modeling Science(ICMS)
End of Entry at 16:00	

**The entire health checkup process takes about 30 minutes,
it depends on the circumstances.**
