

## 2024 Fall Semester New Students Health Examination Schedule

### ■ Undergraduate : 8/27

Time	Department
08:00	Power Mechanical Engineering(PME) , Chemical Engineering(CHE)
08:35	Computer Science(CS)
09:00	Electrical Engineering(EE), Undergraduate Program of Electrical Engineering and Computer Science(EECS)
09:30	Mathematics(MATH), Physics(PHYS)
09:55	Chemistry(CHEM), Interdisciplinary Program of Sciences(SCI)
10:15	Interdisciplinary Program of Tsing Hua(IPTH) , Tsing Hua College International Bachelor Degree Program(IBP)
10:25	Engineering and System Science(ESS), Interdisciplinary Program of Nuclear Science(IPNS) , Biomedical Engineering and Environmental Sciences(BMES)
11:00	Economics(ECON), Quantitative Finance(QF), Interdisciplinary Program of Management and Technology(UPMT)
<b>End of Entry at 11:30</b>	
<b>Rest time during 12:00-13:00</b>	
13:00	Life Science (LS), Interdisciplinary Program of Life Sciences and Medicine(LMIP), Medical Science(DMS)
13:25	Chinese Literature(CL), Foreign Languages and Literature(FL), Interdisciplinary Program of Humanities and Social Sciences(HSS)
14:00	Music(JMU), Arts and Design(JAD), Interdisciplinary Program of Technology and Art(JITA)
14:30	Education and Learning Technology(KEL), Early Childhood Education(KEE), Special Education(KSPE)
14:50	Educational Psychology and Counseling(KPC), Kinesiology(KSS) , Environmental and Cultural Resources(KEC), English Instruction(KENI), Interdisciplinary Program of Education(KIPE)
15:20	Industrial Engineering and Engineering Management(IEEM), Materials Science and Engineering(MS), Interdisciplinary Program of Engineering(IPE)
<b>End of Entry at 16:00</b>	

**The entire health checkup takes about 30 minutes,  
actual waiting time depends on the circumstances.**

## 2024 Fall Semester New Students Health Examination Schedule

### ■ Graduate : 8/28

Time	Department
08:00	In-service Programs
09:00	Mathematics(MATH), Chemistry(CHEM), Computational and Modeling Science(ICMS)
09:25	Arts and Design(JAD), Music(JMU), Graduate Institute of Art and Technology(JANT)
09:35	Education and Learning Technology(KEL) , Early Childhood Education(KEE), Special Education(KSPE) , Educational Psychology and Counseling(KPC), Kinesiology(KSS), English Instruction(KENI), Environmental and Cultural Resources(KEC), Taiwan Languages and Language Teaching(KTLT) , Graduate Institute of Mathematics and Science Education(KMS), Learning Sciences and Technologies(KLST), Ph.D. Program in Education Sciences (KES)
10:15	Materials Science and Engineering(MS), NanoEngineering and MicroSystems(NEMS), Ph. D. Program in Prospective Functional Materials Industry(PFMI)
10:50	Power Mechanical Engineering(PME), Biomedical Engineering(BME)
11:20	Chemical Engineering(CHE), Industrial Engineering and Engineering Management(IEEM)
11:55	Biomedical Artificial Intelligence PhD program(BAI), Precision Medicine Ph.D. Program(PMED), International Intercollegiate Ph.D. Program(IPHD), International Intercollegiate Master Program(IMS)
<b>End of Entry at 11:35, except for those who registered for the 11:55 period</b>	
<b>Rest time during 12:00-13:00</b>	
13:00	Biomedical Engineering and Environmental Sciences(BMES), Institute of Analytical and Environmental Sciences(AES), Nuclear Engineering and Science(NES), Engineering and System Science(ESS)
13:30	Technology Management(TM) , Law for Science and Technology(LST), Quantitative Finance(QF), Economics(ECON), International Master of Business Administration(IMBA), Service Science(ISS)
13:50	Computer Science(CS)
14:20	Electronics Engineering(ENE), Communications Engineering(COM), Photonics Technologies(IPT), Institute of Information Security(IIS)
15:00	Electrical Engineering(EE), Information Systems and Applications(ISA)
15:35	Exchange Students, Taipei School of Economics and Political Science(TSE), College of Semiconductor Research(CSR)
15:50	Biotechnology(LSBT), Bioinformatics and Structural Biology(LSBS), Molecular Medicine(LSMM) , Molecular and Cellular Biology(LSMC), Systems Neuroscience(LSSN)
16:10	Chinese Literature(CL), Foreign Languages and Literature(FL), History(HIS), Linguistics(LING), Sociology(SOC), Anthropology(ANTH) , Philosophy(PHIL), Taiwan Literature(TL), International Master's Program in Inter-Asia Cultural Studies(IACS) , MA Program in Chinese Language and Culture(MCLC), Sinophone Studies(SL)
16:30	Physics(PHYS), Graduate Program of Quantum Technology and Advanced Materials(QTAM), Astronomy(ASTR), Statistics(STAT)
<b>End of Entry at 16:45</b>	

**The entire health checkup takes about 30 minutes,  
actual waiting time depends on the circumstances.**
