

Self-health monitoring, our responsibility.

2No3Do

No school while sick

If you feel sick,
please go to a doctor ASAP,
don't go to class/work.

No talk while eat

If you have a fever or feel
uncomfortable, do not
attend gatherings.

Do wear your mask

Replace mask immediately
if sneeze or mask is
contaminated.

Do wash your hand

Use sanitizer or soap
to wash your hand.

Do measure your
body temperature

Report if you have fever.
(temperature $\geq 37.5^{\circ}\text{C}$)

NTHU healthy life slogan

Have you measured
your temperature today?
